

PAY ONE FIXED RATE FOR ANY COMBINATION OF WEB AND AUDIO CONFERENCING

Audio Conference + Web Conference = TBG Conferencing OneRate

OneRate from TBG Conferencing puts the flexibility of using web conferencing, audio conferencing or a combination of both within your control by providing one, easy-to-use platform – at one simplified billing rate.

One Price – Increases Productivity and Lowers Costs

Eliminate the complication of tracking multiple pricing models across multiple providers. Let TBG Conferencing consolidate your conferencing bills into one low rate for audio, web or a combination of both.

One Platform – Provides Full Featured Web & Audio Conferencing

OneRate adapts to the unique requirements of your virtual meetings in real-time by seamlessly integrating all of the web and audio conferencing tools you need into a single, user friendly platform.

One Source - For All Customer Care

TBG Conferencing provides 24 x 7 client care. All client care representatives can help you with questions regarding your audio or web conferencing services
